## PROVEN EXPERIENCE MAKING A DIFFERENCE

The dedication to our clients extends back 30 years. Founded by Paul Redfearn in 1984, The Redfearn Law Firm is committed to the jury trial system, and represents victims suffering catastrophic harm due to personal injury, medical negligence, defective and dangerous products and motor vehicle/trucking collisions.

Redfearn is a fellow of the American College of Trial Lawyers, an advocate with ABOTA and holds a certificate in civil trial advocacy by the NBTA. He is also named in *The Best Lawyers in America*.

Giving back to the community is important. Since 1994, Redfearn has served as treasurer for Lawyers Encouraging Academic Performance, a nonprofit with the specific focus to support economically disadvantaged children in the Kansas City Metropolitan Area. The firm proudly sponsors fundraising events and contributes to medical research.
